The background features a complex, abstract pattern of white lines on a black field. The lines are of varying lengths and orientations, creating a sense of movement and depth. Some lines are parallel, while others intersect at various angles, forming a series of irregular, overlapping shapes that resemble a stylized, fragmented landscape or a network of connections.

INFLUENTIAL LIFESTYLE ENTREPRENEURS.

meet the creative

Hey ya'll! I'm Patty B...

An all around dope Queen, creative director + photographer based in Coastal Virginia.

As the owner and creative director of Fringe Creative Co., a one stop design + consulting den, I specialize in visual essentials for influential lifestyle entrepreneurs, as well as, social/corporate occasions.

Whether I'm designing or photographing, capturing the essence of the sophisticated woman is not only my mission but my passion. When collaborating with me you can expect an experience that will bring forth your visions with style, class and southern hospitality.

With over 25 years of combined experience as a multi faceted creative, I work best with multi-cultural women who are ready to show up for themselves and level up their personal and business brands!

Instead of shopping around for a team of creatives, collaborate with someone who has the proven experience to enhance the visual presence of your business with a cohesive brand voice and presentation.
